

Job Title: GIS and Planning Intern

Hourly Rate Range: \$14.99 to \$20.17

As the Metropolitan Planning Organization for the tri-county (Monterey, San Benito and Santa Cruz) Monterey Bay region, the Association of Monterey Bay Area Governments (AMBAG) performs a wide range of transportation planning activities in the region.

AMBAG is currently seeking a part-time GIS and Planning Intern to work 10-19 hours per week. Candidates (at a minimum) should have already completed at least three years towards a bachelor's degree in a discipline related to the field of planning or similar (land use/environmental planning/resources/computer science/geography/GIS). Strong computer skills (MS Excel, MS Access, ArcGIS 10.8) are required, and programming skills for use in ArcGIS are desirable.

Under close supervision, the GIS and Planning Intern assists in the performance of technical and administrative duties related to the functions of the organization and projects assigned. The position provides technical assistance to the Planning and GIS Department. Intern will respond to GIS data requests, prepare maps, and perform GIS data analysis as required.

All applicants must complete an application form available on the AMBAG website, www.ambag.org. A complete application includes submittal of a resume and an AMBAG application form.

Complete job applications may be sent to: GIS Coordinator, Association of Monterey Bay Area Governments, 24580 Silver Cloud Court, Monterey, CA 93940 either by regular mail, courier or delivered by hand; by fax 831-883-3755; or by email: info@ambag.org. For submittals via e-mail, please use subject line: GIS & Planning Intern.

Applications that are incomplete will not be considered. Position is open until filled.
