Introduction

The Association of Monterey Bay Area Governments (AMBAG) was organized in 1968 for the purpose of regional collaboration and problem solving and was formed by a Joint Powers Authority (JPA). AMBAG serves as the federally designated Metropolitan Planning Organization (MPO) for the Monterey, San Benito and Santa Cruz areas and the Council of Governments (COG) for the counties of Monterey and Santa Cruz.

AMBAG is a public agency funded through a combination of federal and State transportation funds, grants and membership dues. Policy direction is provided by the Board of Directors which the Executive Director reports directly to and performs all duties necessary for the proper and efficient management of AMBAG, as determined by the Board and State and Federal law. AMBAG performs metropolitan level transportation planning on behalf of the region. Among its many duties, AMBAG manages the region’s transportation demand model and prepares regional housing, population and employment forecast that are utilized in a variety of regional plans.

AMBAG is governed by a 24 member Board of Directors comprised by elected officials from each City and County within the region. Member jurisdictions include: the County of Monterey (including the cities of Carmel-by-the-Sea, Del Rey Oaks, Gonzales, Greenfield, King City, Marina, Monterey, Pacific Grove, Salinas, Sand City, Seaside and Soledad); the County of San Benito (including the cities of Hollister and San Juan Bautista); the County of Santa Cruz (including the cities of Capitola, Santa Cruz, Scotts Valley and Watsonville).

Project Description

The database will be used for planning support for both the Metropolitan Transportation Plan (MTP)/Sustainable Communities (SCS) and Metropolitan Transportation Improvement Plan (MTIP). A written notice of intent to protest the proposed award of this solicitation must be received (facsimile acceptable) by the project manager before the close of business 4:00 p.m. PDT on the third (3rd) business day after notifying the Proposer of intent to award, as specified in the solicitation timeline. Untimely submission of the complete protest filing waives the Proposer’s right to protest.

The protest bond amount for this Alternative Protest Process shall be ten percent (10%) of the contract amount as specified in the solicitation.

J. Requirements Protests

Protests regarding any issue other than selection of the successful Proposer are “requirements protests” to be heard by the Executive Director, or his or her designee, and may be appealed to, heard, and resolved by the Executive Committee of AMBAG, whose decision will be final. Before a requirements protest is submitted, the Proposer must make full and timely use of the procedures outlined in this RFQ. This procurement procedure is designed to give the Proposer and AMBAG adequate opportunity to submit questions and discuss the requirements, proposals and counter
proposals before the Final Proposal is due. The protest procedure is made available in the event that a Proposer cannot reach a fair agreement with AMBAG after exhausting these procedures.

All protests to the RFQ requirements must be received by the Executive Committee as promptly as possible, but not later than the respective time and date as noted in this RFQ for such protests.

AMBAG and CONTRACTOR agree to act in good faith to prevent and resolve potential sources of conflict before they escalate into a question or controversy. AMBAG and CONTRACTOR each commit to resolving such dispute in an amicable, professional, and expeditious manner and agree to use the following procedure for resolving the dispute: (a) either party may give notice to the other of the dispute and will meet within three (3) business days to attempt to resolve the dispute; (b) a meeting or meetings shall be promptly between the representatives of the parties regarding the dispute to attempt in good faith to negotiate a resolution of the dispute; (c) if within thirty (30) days after a dispute has arisen, the parties have not succeeded in negotiating a resolution of the dispute, they agree to submit the dispute to mediation; (d) the mediator shall be jointly selected by the parties, or failing agreement on the selection of a mediator within thirty (30) days after the parties fail to negotiate an informal resolution of any dispute, the mediator shall be a retired judge or justice selected by the supervising judge of the Civil Division of the Monterey County California Superior Court. 15. AMENDMENT OF SCOPE OF WORK

The parties may amend the Scope of Work subject to mutual prior written modification of the Contract.
16. **CORRECTION OF WORK**

The performance of services or acceptance of information furnished by CONTRACTOR shall not relieve the CONTRACTOR from obligation to correct any defective, inaccurate or incomplete work subsequently discovered and all such work shall be remedied by the CONTRACTOR on demand without cost to AMBAG.

17. **DELAYS AND EXTENSIONS**

Time is of the essence concerning performance of this Contract; however, the CONTRACTOR will be granted time extensions for delays beyond the Contractor’s control. Time extensions will be equal to the length of the delay or as otherwise agreed upon in writing between the CONTRACTOR and AMBAG.

18. **RETENTION OF RECORDS/AUDITS**

For the purpose of determining compliance with Public Contract Code 10115, et seq. and Title 21, California Code of Regulations, Chapter 21, Section 2500 et seq., when applicable and other matters connected with the performance of the contract pursuant to Government Code 8546.7; CONTRACTOR, subcontractor, and AMBAG shall maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of the contract, including but not limited to, the costs of administering the contract. All parties shall make such materials available at their respective offices at all reasonable times during the contract period and for three years from the date of final payment under the contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until AMBAG, Caltrans, the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. to be as fully responsible to AMBAG for the acts and omissions of its subcontractor(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONTRACTOR. CONTRACTOR’S obligation to pay its subcontractor(s) is an independent obligation from AMBAG’S obligation to make payments to the CONTRACTOR.

B. CONTRACTOR shall perform the work contemplated with resources available within its own organization and no portion of the work pertinent to this contract shall be subcontracted without prior written authorization by AMBAG, except that, which is expressly identified in the contract.

If the adjudicated or admitted sole negligence or willful misconduct of AMBAG has contributed to a loss, CONTRACTOR shall not be obligated to indemnify AMBAG for the proportionate share of such loss caused by such sole negligence or willful misconduct. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable by or for CONTRACTOR under Worker’s Compensation, disability or other employee benefit acts or the terms, applicability or limitations of any insurance held or provided by CONTRACTOR and shall continue to bind the parties after termination/completion of this Contract.

In addition, the CONTRACTOR agrees to comply with any implementing requirements FTA may issue.

2. Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, the CONTRACTOR agrees to refrain from discrimination against present and prospective employees for reason of age. A. The CONTRACTOR acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the CONTRACTOR further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the CONTRACTOR to the extent the Federal Government deems appropriate.

Any exceptions to this certification must be disclosed to AMBAG.

A. The CONTRACTOR agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the CONTRACTOR agrees to obtain the express consent of the Federal Government before the CONTRACTOR or its employees operate a system of records on behalf of the Federal Government. The CONTRACTOR understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

B. The CONTRACTOR also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

29. **INSURANCE/NOTIFICATION**

Prior to the beginning, and throughout the duration, of the work, CONTRACTOR shall maintain insurance in conformance with the requirements set forth below. CONTRACTOR will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth here, it will be amended to do so. CONTRACTOR acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any
insurance proceeds in excess of the limits and coverage required in this contract and which is applicable to a given loss, will be available to AMBAG.

CONTRACTOR is covered by, and agrees to maintain, general liability insurance for bodily injury and property damage arising directly from its negligent acts or omissions with limits as specified below. C. **Business Auto Coverage** on ISO Business Auto Coverage form CA 00 01 including owned, non-owned and hired autos, or the exact equivalent. Limits shall be no less than $1,000,000 per accident, combined single limit. If CONTRACTOR owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If CONTRACTOR or CONTRACTOR’S employees use personal autos in any way on this project, CONTRACTOR shall obtain evidence of personal auto liability coverage for each such person.

D. **Errors and Omissions Liability** CONTRACTOR shall provide evidence of professional liability insurance on a policy form appropriate to Contractor’s profession. Limits shall be no less than $1,000,000/claim.

E. **Certificate of Insurance** CONTRACTOR shall file a certificate of insurance completed and filed with AMBAG within fifteen (15) days of execution of this Contract and prior to engaging any operation or activities set forth in this Contract. The foregoing policies shall provide that no cancellation, major change in coverage, or expiration by insurance company or insured during the term of this contract shall occur without thirty (30) days written notice to AMBAG prior to the effective date of such cancellation or change in coverage.

F. All such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of two (2) years after completion of the contract.
G. The Commercial General Liability and Business Auto insurance policies shall provide an endorsement naming AMBAG, its officers, agents, employees and volunteers as Additional Insured, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by AMBAG and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the insurance AMBAG.

H. All insurance policies shall be issued by an insurance company currently authorized be the Insurance Commissioner to transact the business of insurance or in on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholder' Rating A- or higher and Financial Size Category Class VI or higher in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by AMBAG.

30. **CONFLICT OF INTEREST**

CONTRACTOR shall disclose any financial, business, or other relationship with AMBAG that may have an impact upon the outcome of this contract, or any ensuing AMBAG project. CONTRACTOR shall also list current clients who may have a financial interest in the outcome of this contract, or any ensuing AMBAG project, which will follow.

CONTRACTOR covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. CONTRACTOR further covenants that in the performance of this Contract, no person having any such interest shall be employed.

CONTRACTOR shall at all times avoid conflicts of interest, or the appearance or perceived conflicts of interest, in the performance of this contract. CONTRACTOR shall file statements of financial interest on forms provided by AMBAG to the extent and at the times required by AMBAG’s Conflict of Interest Code and applicable law.

CONTRACTOR hereby certifies that it does not now have, nor shall it acquire any financial or business interest that would conflict with the performance of services under this contract.

31. **STATEMENT OF ECONOMIC INTEREST**

If AMBAG determines CONTRACTOR comes within the definition of CONTRACTOR under the Political Reform Act (Government Code §87100), CONTRACTOR shall complete and file and shall require any other person doing work under this Contract to complete and file a "Statement of Economic Interest" with AMBAG disclosing CONTRACTOR and/or such other person’s financial interests.

32. **MERGER**

This Contract shall constitute the entire Contract between the parties and shall supersede any previous contracts, whether verbal or written, concerning the same subject matter. No
modification of this Contract shall be effective unless and until evidence by a writing is signed by both parties.

33. **DEFAULT**

   If CONTRACTOR should fail to perform any of his obligations hereunder, within the time and in the manner herein provided or otherwise violate any of the terms of this Contract, AMBAG may terminate this Contract by giving CONTRACTOR written notice of such termination, stating the reason for such termination. In such event, CONTRACTOR shall be entitled to receive as full payment for all services satisfactorily rendered and beneficial to AMBAG and expenses incurred hereunder, an amount which bears the same ratio to the total fees specified in the contract as the services satisfactorily rendered hereunder by CONTRACTOR bear to the total services otherwise required to be performed for such total fee; provided, however, that AMBAG may withhold payments not yet made to CONTRACTOR for the purpose of setoff until such time as the exact amount of damages due AMBAG from CONTRACTOR is determined.

34. **NO WAIVER OF BREACH/TIME**

   The waiver by AMBAG of any breach of any term or promise contained in this Contract shall not be deemed to be a waiver of such term or provision or any subsequent breach of the same or any other term or promise contained in this Contract. Time is of the essence in carrying out the duties hereunder.

35. **THIRD PARTY BENEFICIARIES**

   Nothing contained in this Contract shall be construed to create and the parties do not intend to create any rights in third parties.

36. **ATTORNEYS’ FEES, APPLICABLE LAW AND FORUM**

   In the event either party brings an action or proceeding for damages arising out of the other’s performance under this Contract or to establish the right or remedy of either party, the prevailing party shall be entitled to recover reasonable attorneys’ fees and costs as part of such action or proceeding, whether or not such action or proceeding is prosecuted to judgment. This Contract shall be construed and interpreted according to California law, and any action to enforce the terms of this Contract or for the breach thereof shall be brought and tried in the County of Monterey.

37. **INDEPENDENT CONTRACTOR**

   The parties intend that CONTRACTOR, in performing the services specified herein, shall act as an independent contractor and shall have control of the work and the manner in which it is performed. CONTRACTOR is not to be considered an agent or employee of AMBAG and is not entitled to participate in any pension plan, insurance, bonus or similar benefits AMBAG
provides its employees. In the event AMBAG exercises its right to terminate this Contract, CONTRACTOR expressly agrees that he/she shall have no recourse nor right of appeal under rules, regulations, ordinances or laws applicable to employees.

38. **TAXES**
CONTRACTOR agrees to file tax returns and pay all applicable taxes on amounts paid pursuant to this Contract and shall be solely liable and responsible to pay such taxes and other obligations, including, but not limited to, state and federal income and FICA taxes. CONTRACTOR agrees to indemnify and hold AMBAG harmless from any liability which it may incur to the United States or to the State of California as a consequence of CONTRACTOR’S failure to pay, when due, all such taxes and obligations.

39. **FEDERAL TAX FORMS**
Prior to issuing the initial claim under this Contract, the CONTRACTOR shall submit Federal Tax Form W-9, Request for Taxpayer Identification Number and Certification to the following address:

CONTRACTOR shall make the required documentation available upon request to AMBAG for inspection.
C. CONTRACTOR warrants that this contract was not obtained or secured through rebates kickbacks or other unlawful consideration, either promised or paid to any AMBAG employee. For breach or violation of this warranty, AMBAG shall have the right in its discretion; to terminate the contract without liability; to pay only for the value of the work actually performed; or to deduct from the contract price; or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

41. **FEDERAL AND STATE LOBBYING ACTIVITIES CERTIFICATION (43 CFR PART 18)**

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The CONTRACTOR also agrees by signing this Contract that it will require that the language of this certification be included in all subcontracts funded wholly or in part by any funds provided herein and which exceed $100,000 and that all such Subcontractor(s) shall certify and disclose accordingly.

42. **CERTIFICATIONS AND ASSURANCES**

A. CONTRACTOR shall adhere to the requirements contained in AMBAG’s annual Certification and Assurances (FHWA and FTA “Metropolitan Transportation Planning Process Certification”) submitted as part of AMBAG’s OWP, pursuant to 23 CFR 450.334 and 23 U.S.C. 134. The CONTRACTOR shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of State or United States Department of Transportation (DOT) assisted contracts or in the administration of AMBAG’s DBE Program. Failure by the CONTRACTOR to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as AMBAG deems appropriate, which may include but is not limited to:

   1. Withholding monthly or quarterly progress payments
   2. Assessing sanctions

   E. A “DBE Information Form” is attached hereto and incorporated herein by this reference as Exhibit D. Even if no DBE participation will be reported, the CONTRACTOR shall complete and sign such form at the time this Contract is executed.

   F. During the period of this Contract, the CONTRACTOR shall maintain records of all applicable subcontracts advertised and entered into germane to this Contract, documenting the actual DBE participation and records of materials purchased from DBE suppliers. Such documentation shall show the name and business address of each DBE Subcontractor(s) or vendor, and the total dollar amount actually paid each DBE Subcontractor(s) or vendor. California Government Code Section 84308
(a) The definitions set forth in this subdivision shall govern the interpretation of this section.

(1) "Party" means any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.

(2) "Participant" means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.

(3) "Agency" means an agency as defined in Section 82003 except that it does not include the courts or any agency in the judicial branch of government, local governmental agencies whose members are directly elected by the voters, the Legislature, the Board of Equalization, or constitutional officers. However, this section applies to any person who is a member of an exempted agency but is acting as a voting member of another agency.

(4) "Officer" means any elected or appointed officer of an agency, any alternate to an elected or appointed officer of an agency, and any candidate for elective office in an agency.

(5) "License, permit, or other entitlement for use" means all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.

(6) "Contribution" includes contributions to candidates and committees in federal, state, or local elections.

(b) No officer of an agency shall accept, solicit, or direct a contribution of more than two hundred fifty dollars ($250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.

(c) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an agency, each officer of the agency who received a
contribution within the preceding 12 months in an amount of more than two hundred fifty dollars ($250) from a party or from any participant shall disclose that fact on the record of the proceeding. No officer of an agency shall make, participate in making, or in any way attempt to use his or her official position to influence the decision in a proceeding involving a license, permit, or other entitlement for use pending before the agency if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars ($250) within the preceding 12 months from a party or his or her agent, or from any participant, or his or her agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100) of Chapter 7. If an officer receives a contribution which would otherwise require disqualification under this section, returns the contribution within 30 days from the time he or she knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, he or she shall be permitted to participate in the proceeding.

(d) A party to a proceeding before an agency involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars ($250) made within the preceding 12 months by the party, or his or her agent, to any officer of the agency. No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use pending before any agency and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars ($250) to any officer of that agency during the proceeding and for three months following the date a final decision is rendered by the agency in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.

(e) Nothing in this section shall be construed to imply that any contribution subject to being reported under this title shall not be so reported.

Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.
