Introduction
The main conference room on the third floor at 24580 Silver Cloud Court, Monterey, CA is used jointly by two agencies. The Association of Monterey Bay Area Governments (AMBAG) is the Metropolitan Planning Organization (MPO) for the tri-county region of Monterey, San Benito and Santa Cruz counties. The Monterey Bay Air Resources District (MBARD) is the agency overseeing air quality for Monterey, San Benito, and Santa Cruz Counties. The geographic region contains 21 jurisdictions each of whom work closely with the two agencies and covers over 5,800 square miles. Driving times and distances for policy makers and jurisdictional staff for the myriad of meetings hosted by the two agencies can be up to one hour and 45 minutes, depending on congestion, to travel as much as 103 miles. Travel distances and times for one of AMBAG’s most significant partners, Caltrans, is two and a half hours to travel 140 miles.

In an effort to reduce greenhouse gases, vehicle miles travelled, and unproductive travel time for staff and agency partners, AMBAG has issued this Request for Proposals (RFP) to enhance the audio video capacity in the MBARD Main Conference room to accommodate virtual and hybrid meetings. A detailed scope of work is outlined below.

Project Requirements & Scope of Work
The following provides details of the scope of services required under this contract. Respondents to this RFP should build on this general description by proposing a scope of work with specific sub-tasks as deemed appropriate which allows the agencies AV support needed to accomplish the requirements set forth in the RFP. Respondents should also refer to the Proposal Requirements, and Evaluation and Selection Process sections for additional requirements.

Additional tasks and work elements may be added or deleted during contract negotiations. Upon conclusion of the negotiation process, the selected consultant will be required to prepare a final work plan, schedule, and budget for inclusion into a final contract. If additional tasks are identified, the contract may be amended in the future.

Project Requirements
The conference room will be used in a number of different configurations. The three primary configurations are identified. The AV solution should be designed to function optimally under both the North/South configuration, East/West configuration, and the classroom configuration. All three configurations are outlined below.

At a minimum the proposed AV solution should include the following:
- An audio system with the necessary microphones to accommodate each configuration (this can be a combination of wireless, handheld, and lapel microphones to accommodate participants, hosts, and speakers at the podium). Speaker quality, arrangement, and room acoustics must be considered when designing the audio system. Each microphone included in the system should include an intuitive mute button that clearly indicates if the mic is muted. The system should also allow for microphones to be simultaneously muted and unmuted remotely at a control station.

- A video audio system with the necessary cameras to have video feeds showing active speakers, with preset positions to accommodate each configuration (this can be a combination of ceiling mounted, wall mounted, and tripod mounted cameras to accommodate participants, hosts, and speakers at the podium). Room arrangement and configuration must be considered when designing the video system. Each camera included in the video system should be connected to a video switcher, recording system and distribution equipment for local monitoring as well as web streaming.

- An AV Control system, PC source connection points, and a wireless PC connection point.

- Fully internet ready capabilities to enable participation via a remote meeting platform and enable playback of on demand videos from the presentation system or connected PC.

- Any associated cabinet and equipment rack with sufficient cooling, should be located in the main Conference room to facilitate easy access to controls.

The Monterey Bay Air Resources District main conference room is already equipped with some audio and video capabilities, including a speaker system and a wireless handheld microphone system, as well as two TV screens, which are used as the presentation system for the room. Bidders may choose to incorporate these existing capabilities into their proposals, but this is not a requirement.

This procurement is being conducted under the provisions of the Alternative Protest Process.
By submitting a proposal to this solicitation conducted under the Alternative Protest Process,

Committee of AMBAG, whose decision will be final. During the protest period, any participating
Proposer may protest the proposed award on the following grounds:

procedure(s) and that the protesting Proposer’s proposal should have been selected; or For any
other acquisition – that the protesting Proposer’s proposal should have been selected in
accordance with the selection criteria in the solicitation document.

A written notice of intent to protest the proposed award of this solicitation must be received
(facsimile acceptable) by the project manager before the close of business 4:00 p.m. PDT on the
third (3rd) business day after notifying the Proposer of intent to award, as specified in the
solicitation timeline. Failure to submit a timely, written notice of intent to protest waives the

manager at the following address:

Errol Osteraa

Association of Monterey Bay Area Governments
24580 Silver Cloud Court, Monterey, CA 93940

Untimely submission of the complete protest filing waives the Proposer’s right to protest.

The protest bond amount for this Alternative Protest Process shall be ten percent (10%) of the contract amount as specified in the solicitation.

K. Requirements Protests
Protests regarding any issue other than selection of the successful Proposer are “requirements protests” to be heard by the Executive Director, or his or her designee, and may be appealed to, heard, and resolved by the Executive Committee of AMBAG, whose decision will be final. Before a requirements protest is submitted, the Proposer must make full and timely use of the procedures outlined in this RFP. This procurement procedure is designed to give the Proposer and AMBAG adequate opportunity to submit questions and discuss the requirements, proposals and counter proposals before the Final Proposal is due. The protest procedure is made available in the event that a Proposer cannot reach a fair agreement with AMBAG after exhausting these procedures.

All protests to the RFP requirements must be received by the Executive Committee as promptly as possible, but not later than the respective time and date as noted in this RFP for such protests.

Requirements protests must be mailed or delivered to:

AMBAG shall reimburse the CONTRACTOR as promptly as its fiscal procedures permit, upon receipt of itemized invoices submitted in accordance with this Contract. This contract is valid and enforceable only, if sufficient funds are made available to AMBAG for the purpose of this contract. In addition, this contract is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or AMBAG governing board that may affect the provisions, terms, or funding of this contract in any manner.

This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the CONTRACTOR in the event of a dispute involving late payment or nonpayment by the CONTRACTOR, deficient Subcontractor(s) performance, and/or noncompliance by Subcontractor(s). This clause applies to both DBE and non-DBE Subcontractor(s).

CONTRACTOR shall also safeguard such confidential materials from unauthorized disclosure, using the same standard of care to avoid disclosure, as the CONTRACTOR treats its confidential information, but in no case less than reasonable care.

F. All equipment, including, but not limited to, computer hardware, printing and duplication equipment, multimedia equipment, software tools and programs, and upgrade packages to existing equipment, procured in whole or part by funds provided under this Contract, are the property of AMBAG. B. Termination for Cause

If through any cause, the CONTRACTOR shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if the CONTRACTOR violates any of the covenants, terms, or stipulations of this Contract, AMBAG shall thereupon have the right to terminate the Contract by giving not less than ten (10) calendar days written notice to the CONTRACTOR of the intent to terminate and specifying the effective date thereof. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, reports or other materials prepared by the CONTRACTOR under this Contract shall, at the option of CONTRACTOR, become AMBAG’s property.

14. DISPUTES

AMBAG and CONTRACTOR are fully committed to working with each other throughout the Term of this Agreement and agree to communicate regularly with each other at all times so as to avoid and minimize disputes. AMBAG and CONTRACTOR agree to act in good faith to prevent and resolve potential sources of conflict before they escalate into a question or controversy. AMBAG and CONTRACTOR each commit to resolving such dispute in an amicable, professional, and expeditious manner and agree to use the following procedure for resolving the dispute: (a) either party may give notice to the other of the dispute and will meet within three (3) business days to attempt to resolve the dispute; (b) a meeting or meetings shall be promptly between the representatives of the parties regarding the dispute to attempt in good faith to negotiate a resolution of the dispute; (c) if within thirty (30) days after a dispute has arisen, the parties have not succeeded in negotiating a resolution of the dispute, they agree to submit the dispute to mediation; (d) the mediator shall be jointly selected by the parties, or failing agreement on the selection of a mediator within thirty (30) days after the parties fail to negotiate an informal resolution of any dispute, the mediator shall be a retired judge or justice selected by the supervising judge of the Civil Division of the Monterey County California Superior Court.    The parties may amend the Scope of Work subject to mutual prior written modification of the Contract.

16. **CORRECTION OF WORK**

17. **DELAYS AND EXTENSIONS**

   Time is of the essence concerning performance of this Contract; however, the CONTRACTOR will be granted time extensions for delays beyond the Contractor’s control. Time extensions will be equal to the length of the delay or as otherwise agreed upon in writing between the CONTRACTOR and AMBAG.

18. **RETENTION OF RECORDS/AUDITS**

   For the purpose of determining compliance with Public Contract Code 10115, et seq. and Title 21, California Code of Regulations, Chapter 21, Section 2500 et seq., when applicable and other matters connected with the performance of the contract pursuant to Government Code 8546.7; CONTRACTOR, subcontractor, and AMBAG shall maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of the contract, including but not limited to, the costs of administering the contract. All parties shall make such materials available at their respective offices at all reasonable times during the contract period and for three years from the date of final payment under the contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until AMBAG, Caltrans, the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. A. Nothing contained in this contract or otherwise, shall create any contractual relation between AMBAG and any subcontractor(s), and no subcontract shall relieve CONTRACTOR of its responsibilities and obligations hereunder. CONTRACTOR agrees to be as fully responsible to AMBAG for the acts and omissions of its subcontractor(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONTRACTOR. CONTRACTOR’S obligation to pay its subcontractor(s) is an independent obligation from AMBAG’S obligation to make payments to the CONTRACTOR.

B. CONTRACTOR shall perform the work contemplated with resources available within its own organization and no portion of the work pertinent to this contract shall be subcontracted without written authorization by AMBAG, except that, which is expressly identified in the contract.

20. **ASSIGNMENT**

The Contract shall not be assigned by the CONTRACTOR, in whole or in part, without the prior written consent of AMBAG.

If the adjudicated or admitted sole negligence or willful misconduct of AMBAG has contributed to a loss, CONTRACTOR shall not be obligated to indemnify AMBAG for the proportionate share of such loss caused by such sole negligence or willful misconduct. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable by or for CONTRACTOR under Worker's Compensation, disability or other employee benefit acts or the terms, applicability or limitations of any insurance held or provided by CONTRACTOR and shall continue to bind the parties after termination/completion of this Contract.

37. **INDEPENDENT CONTRACTOR**
The parties intend that CONTRACTOR, in performing the services specified herein, shall act as an independent contractor and shall have control of the work and the manner in which it is performed. CONTRACTOR is not to be considered an agent or employee of AMBAG and is not entitled to participate in any pension plan, insurance, bonus or similar benefits AMBAG provides its employees. In the event AMBAG exercises its right to terminate this Contract, CONTRACTOR expressly agrees that he/she shall have no recourse nor right of appeal under rules, regulations, ordinances or laws applicable to employees.

38. **TAXES**
CONTRACTOR agrees to file tax returns and pay all applicable taxes on amounts paid pursuant to this Contract and shall be solely liable and responsible to pay such taxes and other obligations, including, but not limited to, state and federal income and FICA taxes. CONTRACTOR agrees to indemnify and hold AMBAG harmless from any liability which it may incur to the United States or to the State of California as a consequence of CONTRACTOR’S failure to pay, when due, all such taxes and obligations.

39. **FEDERAL TAX FORMS**
Prior to issuing the initial claim under this Contract, the CONTRACTOR shall submit Federal Tax Form W-9, Request for Taxpayer Identification Number and Certification to the following address:
or by FAX to: (831) 883-3755. Unless AMBAG receives a completed Tax Form W-9, payments for services performed under this CONTRACT shall be subject to federal backup withholding.

40. COMPLIANCE WITH LAWS, RULES AND REGULATIONS

A. CONTRACTOR shall study and comply with all applicable federal, state and local laws, rules and regulations affecting the CONTRACTOR and his/her work hereunder. CONTRACTOR represents and warrants to AMBAG that CONTRACTOR has and will keep in effect during the term of this Contract all licenses, permits, qualifications and approvals of whatsoever nature which are legally required for CONTRACTOR to practice Contractor’s profession and to do the work hereunder.

B. CONTRACTOR agrees to abide by the requirements of the Immigration and Control Reform Act pertaining to assuring that all employees of CONTRACTOR performing any services under this Contract have a legal right to work in the United States of America, that all required documentation of such right to work is inspected, and that INS Form 1-9 (as it may be amended from time to time) is completed and on file for each employee. CONTRACTOR shall make the required documentation available upon request to AMBAG for inspection.

C. CONTRACTOR warrants that this contract was not obtained or secured through rebates kickbacks or other unlawful consideration, either promised or paid to any AMBAG employee. For breach or violation of this warranty, AMBAG shall have the right in its discretion; to terminate the contract without liability; to pay only for the value of the work actually performed; or to deduct from the contract price; or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

D. It shall be mandatory upon CONTRACTOR to whom the contract is awarded and upon any subcontractor thereof to pay to all laborers, workmen and mechanics employed by them not less than the general prevailing rate of wages in the locality for each craft or type of workmen or mechanic needed to perform such work and the general prevailing rate for legal holiday and overtime work as ascertained by the Department of Labor. If, during the course of work under this contract, the Department of Labor revises the prevailing rate hourly wages to be paid under this contract for any trade or occupation, AMBAG will notify contractor and each subcontractor of the change in the prevailing rate of hourly wages. CONTRACTOR shall have the sole responsibility and duty to ensure that the revised prevailing rate
of hourly wages is paid by contractor and all subcontractors to each worker to whom a revised rate is applicable. Revisions of the prevailing wage as set forth above shall not result in an increase in the contract sum. C. Any costs for which payment has been made to CONTRACTOR that are determined by subsequent audit to be unallowable under 2 CFR, Part 200 and 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31.000 et seq., are subject to repayment by CONTRACTOR to AMBAG.

44. DISADVANTAGED BUSINESS ENTERPRISE (DBE)

A. The CONTRACTOR, subrecipient, or subcontractor(s) shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The CONTRACTOR shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of State or United States Department of Transportation (DOT) assisted contracts or in the administration of AMBAG’s DBE Program. Failure by the CONTRACTOR to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as AMBAG deems appropriate, which may include but is not limited to:

1. Withholding monthly progress payments
2. Assessing sanctions
3. Liquidated damages
4. Disqualifying the contractor from future bidding as non-responsible

B. The contractor must make available to the Caltrans contract manager a copy of all DBE subcontracts upon request.

C. The contractor must utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains authorization from Caltrans. Unless the Department provides prior authorization approving a request for termination or substitution of a listed DBE, the Contractor shall not be entitled to any payment for work or materials unless it is performed or supplied by the listed DBEs.

D. It is the policy of AMBAG, Caltrans, and DOT, that the Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, shall have an equal opportunity to receive and participate in DOT-assisted contracts. The CONTRACTOR and its Subcontractor(s) shall comply with the requirements of 49 CFR Part 26 and with AMBAG’s DBE Program, as amended.

E. A “DBE Information Form” is attached hereto and incorporated herein by this reference as Exhibit D. Even if no DBE participation will be reported, the CONTRACTOR shall complete and sign such form at the time this Contract is executed.

F. During the period of this Contract, the CONTRACTOR shall maintain records of all applicable subcontracts advertised and entered into germane to this Contract, documenting the actual DBE participation and records of materials purchased from DBE suppliers. Such documentation shall show the name and business address of each DBE Subcontractor(s) or vendor, and the total dollar amount actually paid each DBE Subcontractor(s) or vendor. Upon completion of the Contract, regardless of whether
DBE participation is obtained, a summary of the DBE records shall be prepared, certified correct, and submitted on a form that shall be provided by AMBAG.

   Exceptions will not necessarily result in denial of award, but will be considered in determining bidder responsibility. For any exception noted above, indicate below to whom it applies, initiating agency, and dates of actions.

If it is later determined that the CONTRACTOR knowingly rendered an erroneous certification, in addition to remedies available to AMBAG, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. (TYPE OR WRITE APPROPRIATE NAME, TITLE)
California Government Code Section 84308

(a) The definitions set forth in this subdivision shall govern the interpretation of this section.

(1) "Party" means any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.

(2) "Participant" means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.

(3) "Agency" means an agency as defined in Section 82003 except that it does not include the courts or any agency in the judicial branch of government, local governmental agencies whose members are directly elected by the voters, the Legislature, the Board of Equalization, or constitutional officers. However, this section applies to any person who is a member of an exempted agency but is acting as a voting member of another agency.

(4) "Officer" means any elected or appointed officer of an agency, any alternate to an elected or appointed officer of an agency, and any candidate for elective office in an agency.

(5) "License, permit, or other entitlement for use" means all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.

(6) "Contribution" includes contributions to candidates and committees in federal, state, or local elections.

(b) No officer of an agency shall accept, solicit, or direct a contribution of more than two hundred fifty dollars ($250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.

(c) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an agency, each officer of the agency who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars ($250) from a party or from any participant shall disclose that fact on the record of the proceeding.
an agency shall make, participate in making, or in any way attempt to use his or her official position to influence the decision in a proceeding involving a license, permit, or other entitlement for use pending before the agency if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars ($250) within the preceding 12 months from a party or his or her agent, or from any participant, or his or her agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100) of Chapter 7. If an officer receives a contribution which would otherwise require disqualification under this section, returns the contribution within 30 days from the time he or she knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, he or she shall be permitted to participate in the proceeding.

(d) A party to a proceeding before an agency involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars ($250) made within the preceding 12 months by the party, or his or her agent, to any officer of the agency. No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use pending before any agency and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars ($250) to any officer of that agency during the proceeding and for three months following the date a final decision is rendered by the agency in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.

(e) Nothing in this section shall be construed to imply that any contribution subject to being reported under this title shall not be so reported.
