Introduction

The Association of Monterey Bay Area Governments (AMBAG), acting on behalf of the Regional Climate Project Working Group (RCPWG), is seeking proposals from qualified professional services firms (hereinafter referred to as 'Consultant') for a Management Consultant to perform all tasks and functions identified in this Request for Proposal (RFP) as Management Consultant under the authorization and direction of the RCPWG Strategy Team and AMBAG's Board of Directors .

AMBAG is a public agency funded through a combination of federal and state transportation funds, grants and membership dues. AMBAG operates under a Joint Powers Agreement with local jurisdictions (cities) and the Counties of Monterey, San Benito and Santa Cruz. Policy direction is provided by a 24-member Board of Directors. The AMBAG Board is comprised of one representative from each city and two supervisors from each of the counties.

AMBAG's Executive Director reports directly to the AMBAG board and performs all duties necessary for proper and efficient management of AMBAG, as determined by the board and state and federal law.

The selected proposer will serve at the discretion of the AMBAG board and work under the direction of the AMBAG Executive Director and the RCPWG Strategy Team.

The mission of RCPWG is to collaborate among organizations in the Monterey Bay Area, including Santa Cruz, San Benito, and Monterey counties, to develop, prioritize, secure funding for, and effectively and equitably implement regionally beneficial climate mitigation, adaptation, and hazard mitigation projects and programs. The RCPWG works with its members and regional partners to secure funding for regional grants that individual members may not have the ability to secure on their own; effectively and equitably allocate funding for ambitious climate action and resilience projects; establish more effective collaboration mechanisms to align policies and projects to best address our region's most pressing climate equity challenges; and activate working groups to support deeper coordination amongst RCPWG members and non-member agencies, foundations, nonprofits, academia, and other partners to advance specific project priorities.

Protests regarding any issue other than selection of the successful Proposer are “requirements protests” to be heard by the Executive Director, or his or her designee, and may be appealed to, heard, and resolved by the Executive Committee of AMBAG, whose decision will be final. Before a requirements protest is submitted, the Proposer must make full and timely use of the procedures outlined in this RFP. The protest procedure is made available in the event that a Proposer cannot reach a fair agreement with AMBAG after exhausting these procedures.

All protests to the RFP requirements must be received by the Executive Committee as promptly as possible, but not later than the respective time and date as noted in this RFP for such protests.

- F. During the period of this Contract, the CONTRACTOR shall maintain records of all applicable subcontracts advertised and entered into germane to this Contract, documenting the actual DBE participation and records of materials purchased from DBE suppliers. Such documentation shall show the name and business address of each DBE Subcontractor(s) or vendor, and the total dollar amount actually paid each DBE Subcontractor(s) or vendor. California Government Code Section 84308

- (a) The definitions set forth in this subdivision shall govern the interpretation of this section.
- (1) "Party" means any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.
 - (2) "Participant" means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.
 - (3) "Agency" means an agency as defined in Section 82003 except that it does not include the courts or any agency in the judicial branch of government, local governmental agencies whose members are directly elected by the voters, the Legislature, the Board of Equalization, or constitutional officers. However, this section applies to any person who is a member of an exempted agency but is acting as a voting member of another agency.
 - (4) "Officer" means any elected or appointed officer of an agency, any alternate to an elected or appointed officer of an agency, and any candidate for elective office in an agency.
 - (5) "License, permit, or other entitlement for use" means all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.
 - (6) "Contribution" includes contributions to candidates and committees in federal, state, or local elections.
- (b) No officer of an agency shall accept, solicit, or direct a contribution of more than two hundred fifty dollars (\$250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.
- (c) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an agency, each officer of the agency who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars (\$250) from a party or from any participant shall disclose that fact on the record of the proceeding. No officer of an agency shall make, participate in making, or in any way attempt to use his or her official position to influence the decision in a proceeding involving a license, permit, or other entitlement for

use pending before the agency if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars (\$250) within the preceding 12 months from a party or his or her agent, or from any participant, or his or her agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100) of Chapter 7. If an officer receives a contribution which would otherwise require disqualification under this section, returns the contribution within 30 days from the time he or she knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, he or she shall be permitted to participate in the proceeding.

- (d) A party to a proceeding before an agency involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party, or his or her agent, to any officer of the agency. No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use pending before any agency and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for three months following the date a final decision is rendered by the agency in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.
- (e) Nothing in this section shall be construed to imply that any contribution subject to being reported under this title shall not be so reported.
